Education

Vanderbilt University
Majors: Computer Science and Human and Organizational Development
GPA: 3.6
Relevant Coursework: Design Discovery, Software Design, Small Group Behavior, Understanding Organizations

Nashville, TN
Aug 2024 - May 2028 (Expected)

Experience

Universal Music Group
User Experience Intern

Nashville, TN
Jun 2026 - Aug 2026

- Overhauled internal UI architectures to enforce standard design patterns, improving employee operational efficiency.
- Utilized Figma MCP to accelerate the redesign of legacy low-code tools into accessible, user-centered web interfaces.
- Translated business requirements into automated UI specifications via internal AI agents for 20+ software engineers.

U.S. Army 160th
Product Designer

Nashville, TN
Jan 2026 - May 2026

- Designed an evaluation dashboard and side-by-side review UI, resolving bottlenecks for 5 executive stakeholders.
- Developed wireframes and interactive prototypes to advocate design rationales to non-design military leadership.
- Conducted 8 user testing sessions to validate customer assumptions, making iterations based on usability findings.

Wearitt
Product Design Intern

San Francisco, CA (Remote)
Dec 2025 - May 2026

- Built a Figma design system and Figma component library to eliminate UI inconsistencies across consumer platforms.
- Defined design tokens and interactive component states in Figma, standardizing styling rules for a team of 5 designers.
- Enforced WCAG accessibility standards across mobile patterns, ensuring high visual and interactive usability.

Where to Turn In Nashville
UI/UX Design Intern

Nashville, TN
Sep 2025 - Apr 2026

- Owned end-to-end design, translating ambiguous databases into intuitive, production-ready navigation flows.
- Collaborated with developers and PMs in a multi-disciplinary team to implement designs under technical constraints.
- Presented to stakeholders across product management, engineering, and leadership to align on product vision.

Leadership and Community Experience

Figma
Figma Campus Leader

Nashville, TN
Aug 2026 - Present

- Lead design workshops and community hackathons, educating 100+ students on Figma workflows and design systems.
- Champion product adoption across campus by mentoring emerging designers on prototyping and UI best practices.

Global Research Consulting Group
VP of Marketing and Recruitment

Nashville, TN
Feb 2025 - Present

- Drive full-cycle recruitment by evaluating 100+ applicants and executing strategic, bias-mitigating campus outreach.
- Leverage generative AI and engagement metrics to rapidly scale targeted campus marketing campaigns.

Certifications/Licenses

Google UX Design Professional Certificate – [Coursera](#)
IBM Enterprise Design Thinking Practitioner – [IBM](#)

May 2026
Jan 2026
