Education

Vanderbilt University **Nashville, TN**
Majors: Computer Science and Human and Organizational Development *Aug 2024 - May 2028 (Expected)*
GPA: 3.6
Relevant Coursework: Design Discovery, Software Design, Small Group Behavior, Understanding Organizations

Experience

Universal Music Group **Nashville, TN**
User Experience Intern *Jun 2026 - Aug 2026*
• Documented 100+ legacy Power Apps and designed end-to-end on Figma for 5 core tools across 20+ music brands.
• Redesigned a platform tracking 2,000+ daily assets, resolving 3 core user pain points across layout and workflows.
• Established a reusable AI migration pipeline with Gemini and Figma MCP, standardizing workflows for future teams.

U.S. Army 160th **Nashville, TN**
Product Designer *Jan 2026 - May 2026*
• Designed an evaluation dashboard, condensing 44-page applications into split-screen views to cut review time by 60%.
• Mapped 8 user interviews to replace subjective reviews with standardized 1-5 rubrics across 4 core categories.
• Leveraged AI in Figma Make to build functional prototypes in days, validating edge cases with real operators.

Wearitt **San Francisco, CA (*Remote*)**
Product Design Intern *Dec 2025 - May 2026*
• Built a foundational Figma token and component library to standardize UI across 4 disconnected mobile features.
• Specified WCAG AA contrast ratios across tokens, standardizing styling rules and accessibility across mobile platforms.
• Audited 2023 design debt across consumer features, establishing a 16pt spacing system and component properties.

Where to Turn In Nashville **Nashville, TN**
UI/UX Design Intern *Sep 2025 - Apr 2026*
• Led mobile UX for a community aid directory across a team of 8 developers and 1 PM, launching an internal beta.
• Designed nearby aid discovery flows via Google Maps API, translating handbook data into in-hours search results.
• Added an offline directory mode after usability testing revealed unreliable user connectivity in crisis moments.

Leadership and Community Experience

Figma **Nashville, TN**
Campus Leader *Aug 2026 - Present*
• Expand campus design literacy across 100+ students by leading hands-on workshops on Figma component systems.
• Mentor multidisciplinary student teams through design jams, fostering collaborative handoff with engineers.

Nissan **Nashville, TN**
Vanderbilt Innovation Fellow *Sep 2026 - Present*
• Partnered with Nissan Product Planning via bi-weekly design syncs, scoping hardware concepts across 8K+ employees.
• Redesigned key fob HMI workflows used ~2,000 times/year, cutting cognitive load across 5 remote access functions.

Certifications/Licenses

Google UX Design Professional Certificate – Coursera *May 2026*
IBM Enterprise Design Thinking Practitioner – IBM *Jan 2026*

Additional Information

Design & Technical Tools: Figma, HTML5, CSS3, JavaScript, React, Git, Java, Python, Linux, Adobe CC
Skills: Design Systems, Interaction Design, User Modeling, Usability Testing, Information Architecture, Korean (Fluent)
Interests: Design, Grilling, Soccer (Real Madrid), Fingerstyle Guitar
