Experience

Universal Music Group

Nashville, TN

User Experience Intern

Jun 2026 - Aug 2026

- Architected UI/UX redesigns to transition 100+ low-code tools into scalable applications utilizing Figma MCP.
- Designed cross-platform collaboration software to streamline workflows for dozens of global record labels.
- Built internal AI collaboration agents to bridge communication gaps between 20+ engineers and product designers.

U.S. Army 160th

Nashville, TN

Product Designer

Jan 2026 - May 2026

- Designed a centralized web dashboard to streamline multi-reviewer evaluation systems for 5 core stakeholders.
- Conducted 8 sessions of individual usability testing to observe real-time navigation and iterate on dashboard layouts.
- Standardized user requirements into a standardized 1-5 scoring rubric and side-by-side view to eliminate data gaps.

Wearitt

San Francisco, CA (*Remote*)

Product Design Intern

Dec 2025 - May 2026

- Developed a comprehensive design system and component library in Figma to scale mobile UI architectures and assets.
- Created interactive mobile wireframes, high-fidelity visual mockups, and prototypes to optimize customer onboarding.
- Drafted detailed user interface specifications, layout style guides, and design patterns to streamline developer handoff.

Where to Turn In Nashville

Nashville, TN

UI/UX Design Intern

Sep 2025 - Apr 2026

- Conducted user research with 4 consumers and 3 stakeholders to translate a database into mobile requirements.
- Designed a logic-driven user flow chart and UI architecture to simplify navigation pathways for users.
- Collaborated with engineers and product stakeholders to ship polished features under real product constraints.

Leadership and Community Experience

Sony Music Entertainment

Nashville, TN

College Marketing Representative

Oct 2024 - May 2025

- Spearheaded campus and digital marketing campaigns to drive local audience engagement and brand visibility.
- Partnered with student organizations to launch grassroots activations, pop-up gigs, and promotional events.
- Executed creative experiential marketing strategies while tracking and reporting performance metrics to executives.

Global Research Consulting Group

Nashville, TN

VP of Marketing and Recruitment

Feb 2025 - Present

- Integrate generative AI to brainstorm content strategies and scale high-engagement media campaigns.
- Drive full-cycle recruitment by evaluating 100+ applicants and executing strategic, bias-mitigating campus outreach.
